PROFESSIONAL SUMMARY

Software Engineering enthusiast with experience in Java and MERN Stack development. Skilled in building full-stack web applications, REST APIs, authentication systems, and database-driven solution. Passionate about solving real-world problems through software and continuously improving problem-solving skills through Data Structures & Algorithms and competitive Programming.

EDUCATION: B.Tech – AI&ML | Mohan Babu University, Tirupati (2023–2027) | CGPA: 9.2/10

TECHNICAL SKILLS: Languages: Java, JavaScript

Frontend: HTML5, CSS3, React.js

Backend: Node.js, Express.js, REST APIs, JWT Authentication

Databases: MongoDB, MySQL

Tools: Git, GitHub, VS Code, Postman, Thunder Client, Eclipse, Mongodb Atlas

Core Concepts: OOP, DSA, MVC Architecture, Authentication & Authorization

PROJECTS: GrindPath – Personalized Learning & Productivity Platform

Tech Stack: React.js, Vite, Node.js, Express.js, MongoDB, JWT

- Developed a full-stack MERN application focused on productivity, goal tracking, and learning consistency.
- Implemented JWT-based authentication and authorization with protected routes.
- Built roadmap generation, progress tracking, dashboard analytics, and goal management features.
- Integrated frontend and backend modules using RESTful APIs and MongoDB.

Live Demo: <https://grind-path.vercel.app/>

GitHub: <https://github.com/Koushal0000/GrindPath>

CODING PROFILES & ACHIEVEMENTS

- Solved 120+ DSA problems on LeetCode.
- Regular participant in LeetCode Weekly Contests to improve logical thinking and problem-solving.
- Active learner on GeeksforGeeks focusing on DSA and interview preparation.
- Built and maintained full-stack development projects using MERN Stack technologies.

HACKATHONS:

Vibe With India 2.0 Hackathon– Participated in a competitive innovation environment, and strengthened teamwork and problem-solving skills.

CERTIFICATIONS & INTERNSHIPS

- ServiceNow Virtual Internship Program – ServiceNow University, AICTE & SmartBridge
- Programming Using Java – Infosys Springboard

INTERNSHIPS: Infosys Springboard Internship Program

- **Successfully completed the Infosys Springboard Internship Program. --Worked on project-based learning and technical skill development, Gained practical exposure to industry-oriented learning, problem solving, and software development concepts.**
